SUPPORT OF SUMMER SCHOOLS

up to 20 000 CZK

Are you interested in studies abroad, but you don't want to miss a whole semester?
Do you know what to do during the summer holidays?
Do you want to find new friends?
Are you curious and would like to experience something new?

Did you answer 4 times 'YES'? So Summer school is right for you!

Besides the Summer schools organized by CZU, you can apply for Summer schools organized in any EU country. It is also possible to apply for an intensive language course organized by a partner university. The only restriction is that you must stay abroad for at least two weeks.

Students find the relevant summer school by themselves, according to their major.

This application serves mainly as an application for financial support, which will (partially) cover registration/tuition fees, travel costs, ...) - it **does not serve as an application for the summer school!!** Students, who were supported by this grant in last 4 years, **cannot** be supported again. **PhD** students are **not eligible** in this call.
