

HOW TO CONNECT TO CULS WIFI - **EDUROAM**

GUIDE FOR EXCHANGE AND ERASMUS STUDENTS

1. LOG IN TO IS.CZU.CZ

UNIVERSITY INFORMATION SYSTEM

University information system of Czech University of Life Sciences Prague allows the academic community, university staff and public to access a wide range of information. Many people have devoted much of their time and effort to help implement the system at the university. Therefore, we will truly appreciate if you direct any problems you encounter or comments you may have to the university system administrators. This way we will be able to help you or complement the information system with any relevant features. We recommend that you contact us on our e-mail address [Contact address](#).

UNIVERSITY INFORMATION SYSTEM

Log in to system

On this page you can log in University Information System. You use an assigned user name and a password. The password distinguishes upper case and low case letters. At the same time you can select after which period of inactivity the system logs you out.

! If you fail to log in or do not know the above mentioned information, please contact the **HelpDesk CULS**.

✓ You have been successfully logged out.

User name:

Password:

Log in

Log out after 1 day of inactivity (change).

Tip: A common problem is the Caps Lock key switched on/off or the keyboard set to a different language.
See application [First log in to UIS instructions](#) to view more details about log in.

2. FIND THE BOX „TECHNOLOGY AND ITS ADMINISTRATION“

3. CLICK AT „ACCESS TO UNIVERSITY NETWORK“

4. CLICK AT „GENERATE PASSWORD“

Access to university network

Wireless network (WiFi) with password

Wireless network (WiFi) can run in a mode with certificates or with credentials (passwords). This application is used to create secondary password to access wireless network (access with certificates can be available in a different application).

Generate password to access wireless services

The following table contains your login, password and validity period of password (if password is entered or if it is valid). If you haven't entered the password, click on the Generate password button. If validity of the password expired, click on the Re-generate password button. Valid password can also be re-generated.

Login: XXXXX00X
Password: **NOT GENERATED**
Password validity period: 11. 02. 2020

Permitted WiFi services

Within the university's wireless network you are authorized to use the following WiFi services.

Server name	Server's domain name	Details of service
eduroam	eduroam.czu.cz	

5. USE YOUR LOGIN AND PASSWORD TO CONNECT TO **EDUROAM**
