
DEAN'S DECISION

No 1/2020

UNOFFICIAL ENGLISH TRANSLATION

Change of the date of Final State Examinations at FTA for the academic year 2019/2020

Czech University of Life Sciences Prague

Faculty of Tropical
AgriSciences

Article 1

Final State Examination

Regarding the current situation with the spread of COVID-19, the date of the Final State Examinations (FSE) at the Faculty of Tropical AgriSciences (FTA) has changed. The new term for the Bachelor's FSE is set for **17 to 19 June 2020**. The new term for the Master's FSE is set for **22 to 26 June 2020**.

The Resit Term of the Bachelor's and Master's FSE is set for the period from **14 to 18 September 2020**.

Article 2

Submission of Bachelor and Master Theses

In connection with the change of the dates of FSE at FTA, the deadline of Bachelor and Master Thesis submission for the academic year 2019/20 is prolonged to **15 May 2020**. In the context of the CZU Rectors Decision, the thesis submission is possible in electronic form only. The printed version must be delivered by the student at the latest by the date of the FSE.

If a student fails to submit a Bachelor's or Master's Thesis till the deadline 15 May 2020 due to serious reasons. He / She can apply for an alternative Bachelor's or Master's FSE, which will be organized during the Resit Term between 14 and 18 September 2020. The application must justify why the student could not submit His / Her thesis in due time. The application must be approved by the thesis supervisor. In case the student applies for a substitute term (Resit Term) of FSE the new deadline for Bachelor and Master Thesis submission is **14 August 2020**.

Students who apply for a substitute term (Resit Term) of FSE organized from 14 to 18 September 2020 may have one correction attempt in case they fail. Thesis correction attempt will be done during the official FSE of the next academic year in June 2021.

Article 3
Final Provisions

This Dean's Decision was approved by the FTA Dean's College on 26 March 2020.

In Prague, 27 March 2020

doc. Ing. Jan Banout, Ph.D.

Dean of FTA
