

**SAVE THE DATE**

## IPL Virtual Staff Week in Lyon, France

**18<sup>th</sup> May to 20<sup>th</sup> May 2021**

### Who is IPL (Polytechnic Institute of Lyon) ?

IPL is a consortium federating different transversal actions of 4 private engineering schools of Lyon:  
**CPE Lyon, ECAM Lyon, ISARA Lyon and ITECH Lyon.**

IPL is a platform for educational, pedagogical and organisational collaboration that strives towards the continuous improvement of the quality of teaching and services provided to students and partner institutions.

### Invitation

The 4 IPL schools are pleased to invite their academic partners to the first **Virtual Staff Week.**

**A staff week**  
covering **2 topics**  
of strong relevance  
for higher education  
institutions

**Exploration of academic  
industry links**

**Best practices in teaching  
innovation**

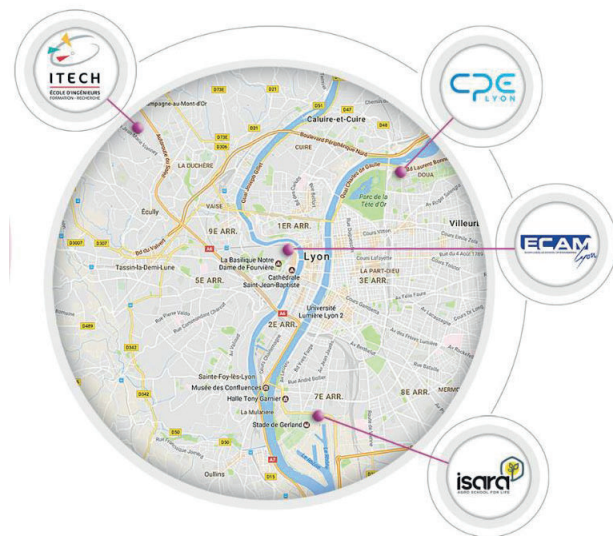

**Workshops**  
run by each IPL school  
with illustrations  
of best practices

Industrial input in the curriculum  
(best practices: internships,  
competitions, job fairs, industrial  
software applied for teaching)

Online teaching practices: how to  
encourage student participation and  
motivation, new technologies and  
gamification (VR, AR, Quiz smart  
apps, Serious Games...)
