Stakeholder Engagement on the Africa-EU Research and Innovation Partnership on Food and Nutrition Security and Sustainable Agriculture at the EU-Africa Summit

Session Program

Jan Banout
Faculty of Tropical AgriSciences
Czech University of Life Sciences Prague (CZU)

Thematic Session Title: Activities of central and eastern EU countries in research and Innovation partnership with Africa

Rationale:

The idea of the proposed session is to present the experience of institutions from central and eastern EU countries in Research and Innovation activities in Africa. Suggested topics are focused on food and nutrition security and sustainable agriculture. The session allows increasing the engagement and visibility of institutions' research activities from central and eastern EU within the Africa-EU partnership.

Session Coordinator: Jan Banout – CZU Prague

Date and time of the session: 2 June 2021; from 15:00 to 17:00 h.

Program of the session:

Speaker	Topic
Dr. Zbyněk Polesný Department of Crop Sciences and Agroforestry, Faculty of Tropical AgriSciences, CZU	Agrobiodiversity resources in Western Province, Zambia: identifying priority underutilized crops and wild food plants
Dr. Petr Němec Department of Forest Botany, Dendrology and Geobiocoenology. Mendel University in Brno.	Sustainable small scale farming and food security in Southern Ethiopia
Dr. Aleksejs Zacepins Department: Department of Computer Systems, Faculty of Information Technologies Latvia University of Life Sciences and Technologies	Implementation of the Precision Beekeeping system in Ethiopia, results of the SAMS project
Dr. Wiesław Ptach, Department of Remote Sensing and Environmental Assessment Institute of Environmental Engineering Warsaw University of Life Sciences	Improving the quality of education in the field of agriculture in Tanzania

Presentation of four case studies (20 min. each) realized by four different institutions within projects focused on sustainable agriculture practices and food and nutrition security in Africa. After the presentations, there will be a discussion among the participants of the session.
